to register online or download a registration form.

School Details

Why should I attend?

This school is a comprehensive overview of the hardware configuration of the DECS-2100 and an extended review of the configuration software (BESTCOMS™*Pro*). Students will learn the basic configuration of the DECS-2100 system. There will be an emphasis on the actual hardware included in each system which will allow for a better understanding of the necessary maintenance and troubleshooting of the system.

The review of BESTCOMS*Pro* will help the student to understand and use the various features of BESTCOMS*Pro* to configure the DECS-2100, to use the software for troubleshooting or maintenance, and to change settings in the device.

This course is not intended to instruct the student in commissioning a DECS-2100, but to provide him or her with a basic understanding of the hardware and software that comprise a DECS-2100 system.

Questions about technical issues or seminar content?

Contact Terry Gaines, Technical Sales & Support Manager, phone 618/654-2341, ext. 773, or fax 618/654-2351; e-mail: terrygaines@basler.com.

Lodging

Baymont Inn and Suites, 20 Central Blvd., Highland IL 62249 618/651-1100

Distance: 43 miles/69.2 KM from Lambert St. Louis International (STL) Airport, east on I-70 to Exit 24 (Route 143), approximately 4 miles to the hotel (estimated taxi charge one-way: \$107.00 USD).

The hotel is within walking distance of several restaurants and stores and features **free** Express Start **hot** breakfast, **free** wireless Internet, indoor heated swimming pool, and fitness center. It is located just 30 miles east of downtown St. Louis.

Expenses

The tuition fee includes printed and electronic course reference material, plus lunch each day. You are responsible for all other expenses such as travel, lodging (we will make your hotel reservation based on dates you indicate), and evening meal expenses throughout the week.

Enrollment

To learn more or download a registration form, visit www.basler.com/be-177. **Due to limited seating, enrollment is based on receipt of payment.** The tuition for the school is \$2,000, payable by check, MasterCard, VISA, or American Express. Please make checks payable to Basler Electric.

Upon receipt of payment, an enrollment acknowledgment will be sent to you via email or fax. Cancellations received on or before October 30, 2017, will be subject to a \$100 processing fee. Cancellations received after this date will create a credit of the tuition (less processing fee) good toward any other Basler Electric conference or school. This credit will be valid for one year. If by Basler Electric postpones the training course to a future date, contingent upon number of student participants, the processing fee will not apply.

Complete driving directions will be included in your registration confirmation.
