

2019

# POWER SCHOOL

Join us for a unique 3½ day Power School providing an overview and in-depth look at specific aspects of controlling and protecting power systems. Individual days will focus on protection, excitation/AVR and genset controls.

Typical attendees include new to mid-level employees or more experienced personnel looking for a refresher.

Continental breakfast and lunch will be provided each day. There will also be a tour of the Basler facility.

**DATE/TIME:** Monday, October 7, Noon - 5:00pm  
Tuesday, October 8 - Thursday, October 10, 8:00am-5:00pm

**PLACE:** The Regency Conference Center  
400 Regency Park, O'Fallon, IL 62269
